## ShareLife Agencies need your support now, more than ever!

Mental health problems can escalate if not addressed quickly. That's why ShareLife funded agencies have been providing phone and video counselling during the pandemic, so clients don't have to wait until walk-in counselling resumes. No one is ever turned away due to inability to pay. "The term 'mental health tsunami' refers to the increasing mental health issues that have and will continue to emerge due to Covid-19," says Brenda Spitzer, Executive Director of Catholic Family of Services of Toronto. Thanks to your support of ShareLife, agencies like CFS Toronto can continue to meet these growing needs.
